RESOLUTION

Whereas the current state trail fees of \$10 annually and \$3 daily have not changed since January 1994;

Whereas the Governor's State Trails Council feels that the proposed increase of \$2 to the daily trail fee, from \$3 to \$5, would not invite new users to try state trails and could be too expensive for families and may turn off new users to the state trail system;

It is therefore RESOLVED that the Governor's State Trails Council endorses the proposed annual trail fee increase of \$5 to \$15 per year and an increase of the daily trail fee of \$1 to \$4 per day.

Unanimously passed this seventh day of April 2003 by the Governor's Wisconsin State Trails Council.
